

Skittles Inn Centenary

2007 marks the centenary of The Settlement main building- or to be more exact the opening of The Skittles Inn. A small group of members is working on a programme of events to celebrate this important anniversary. Chief of these will be an exhibition over Whitsun weekend (25th–28th May 2007) when we shall show off all the activities that take place in these fine buildings. Groups and classes are invited to start thinking of how they will take part. Other events will include a social event for members in mid March and opening of the buildings to the public as part of Heritage Open Days in early September. Further information later as plans progress.

New Settlement Brochure

We hope that you will find much to interest you in the new Settlement programme for September onwards. There are many old favourites and some new courses, including more crafts, new writing and literature classes, and an excellent range of University of Cambridge subjects. We try to respond to interests expressed by members and would always welcome new ideas. Suggestions of possible tutors/teachers are also welcome.

Sarah Carrick on behalf of the Programme Committee

*Some stalls still available
call 01462 682828 for details*

Refreshments Available

*Please support this
important fundraising event!*

Admission 50p - accompanied children free

Some Housekeeping Reminders

Unfortunately we have recently suffered more thefts from handbags, this time during the occasion of a wonderful exhibition of their work by Settlement members of the local Embroidery Guild. This must serve as a warning: please put your handbags and other valuables in a secure place if you are not carrying them. It is so easy for unscrupulous characters to slip into the building when it is busy. Also, never give your PIN number to anyone, even if they seem to be 'official'. Even banks are not allowed to ask you for your PIN.

If you open any external doors or windows, please ensure that you close them before you leave.

Electrical Appliances

If you use kettles, irons, heaters at The Settlement, could you please make sure that you turn them off and unplug them before you leave.

Car Parking

As always we are having difficulty in fitting everybody into the car park (but not for too much longer we hope). Could you please make sure that you park between the yellow lines in order to get as many cars in as possible.

Thank you, Sarah Carrick

We regret to inform you of the following recent deaths:

Dennis Chadwick

Richard Mason (Tutor from Madingley),

Bob Sutcliffe

We offer our condolences to their family and friends.
