**available from the
office and David's
(01462) 475900.**

We hope to bring out the next Newsletter earlier in the Autumn term than previously so it would be helpful to have submissions later this term or very early on in September. We are always interested to hear what our classes and groups have been doing so please let me know.

Many thanks. Sonia Weston

CHAIRMAN'S REPORT

On behalf of The Management Committee I should like to thank all the staff, tutors and Settlement members for their continued support.

The 2011-2012 brochure will be published ahead of schedule thanks to the hard work of Amanda and Sonia. The cost of course fees has **not** been increased in 2011-2012 but as the running costs continue to rise we need your support at our fund raising events to ensure that we continue to hold our reserves at the level our excellent treasurer John Bird deems prudent. Roy Evans' Settlement Visits for Autumn 2011 are wide ranging and offer excellent value for money - look out for the booking forms around the Settlement.

Carola Garvie

ADMINISTRATION MATTERS.....

You are probably wondering why the Newsletter has shrunk so much! This is to keep postage of the brochure, newsletter and workshop leaflet in the lower postage band, something which is particularly important with the ever increasing price of stamps.

I hope you enjoy perusing the new brochure and find courses to interest you over the coming academic year. We have several new courses including a series of short courses in new art and craft subjects. We have also extended some of our daytime courses to the evening as well. For those of you that enjoy art there is now a workshop on a Friday evening which you can come along to without necessarily making a commitment to each week.

I hope you all have a wonderful summer and we look forward to receiving your enrolments and seeing you back in September.

Amanda West, Manager

****** Success for Letchworth Camera Club ******

Members were pleased this year to win the Three Counties Cup, which is contested annually between Letchworth Camera Club (Herts), Melbourn Photographic Club (Cambs) and Saffron Walden Camera Club (Essex). The competition comprises three rounds: monochrome prints, colour prints and digital images. The competition was hosted by Melbourn and the judge (from Bedfordshire) awarded Letchworth a total of 309 points, with Melbourn on 304 and Saffron Walden, 298.

This is just one example of the huge pool of talent we have here. Well done!
